# OUR JOURNEY

## 50+ YEARS

For over 50 years, the Naples Concert Band has enriched Southwest Florida with free concerts, bringing the joy of live music to over 10,000 attendees annually.

### A RICH HISTORY OF MUSIC IN NAPLES

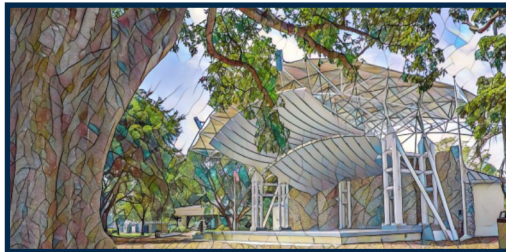

Founded in 1972 by George Reardon, inspired by a Sousa march on the radio, the Naples Concert Band began with 30 musicians performing at Cambier Park. Today, it is a thriving ensemble of 80+ members, officially recognized as a “cultural institution” by the City of Naples. The band proudly showcases a diverse repertoire—from original wind music and orchestral transcriptions to marches, film scores, Broadway hits, and popular medleys—and features renowned guest vocalists and instrumentalists.

# WHY DONATE TO NCB'S ENDOWMENT CAMPAIGN?

## Why Donate to the NCB's Endowment Campaign?

The Naples Concert Band has long been a cornerstone of our community, bringing joy, inspiration, and connection through the universal language of music. Our concerts—performed in beautiful Cambier Park and livestreamed to reach even more music lovers—feature exceptional guest artists and performances by accomplished volunteer musicians, many of whom are current or former music educators and professionals. These memorable experiences unite families, friends, and neighbors, enriching the cultural fabric of Naples.

But behind the music lies a critical need.

As a business leader in Naples, you understand the value of investing in what makes our community thrive. The Naples Concert Band depends entirely on the generosity of sponsors, donors, and contributions from our patrons. Despite the countless hours our musicians and volunteers dedicate to sharing their talents, we must ensure financial sustainability to preserve and grow our impact.

That's why we've launched our first-ever Naples Concert Band Endowment Campaign. Our goal is to raise \$650,000 to grow our Endowment Fund to \$1 million, ensuring the Band's continued excellence and accessibility for generations to come. With your support, this fund will provide a lasting source of stability—sustaining our performances and mission for years to come, alongside our annual donor programs like Fan of the Band and Concert Sponsorships.

By supporting this campaign, your business can:

- Enhance community impact by investing in an organization that provides cultural enrichment to thousands of residents and visitors each year.
- Demonstrate commitment to education and mentorship by supporting our scholarship program for emerging young musicians who perform alongside seasoned educators and community musicians.
- Showcase civic leadership and dedication to the arts, with recognition available through various giving levels.

Your tax-deductible gift will not only help sustain the music you love, but also contribute to Naples' identity as a vibrant cultural hub. Together, we can preserve the Naples Concert Band's legacy for generations to come.

With heartfelt appreciation,
